

# QUALITY CERTIFICATE

SPARE PARTS MATCHING THE QUALITY OF ORIGINAL EQUIPMENT

We hereby certify that when you select a replacement glazing branded from AGC Automotive Replacement Glass, you can be assured of receiving a high quality product. Every AGC replacement glazing is homologated according to the latest official revisions of the UN R43 Regulation, the European 92/22 Directive and the American standard ANSI Z.26.1.

These branded AGC replacement glazings come with the support of the world's leading Original Equipment automotive glass producer. They are all manufactured in plants conforming to the international automobile industry standard ISO/TS16949, according to the quality and technical specifications of OEM glazings fitted to new vehicles. In quality terms they can therefore be considered Original Spare Parts or equivalent.
